**Retina Specialists**

## **Andrew Laverghetta**

Andrew Laverghetta has over 30 years of experience in healthcare, with over 25 years in leadership. His leadership roles have spanned several different functional areas, including operations, finance, revenue cycle, development, and information technology. Andy is the CEO for Southeastern Retina Associates, based in Knoxville, TN, a large physician-owned retina-only practice, and he has been in that role for over a decade. He also has significant experience in Cardiology, Pediatric Urgent Care, and Ambulatory Surgery Centers.
