

The Women in Retina (WinR) section is a peer mentorship network. Its aim is to inspire the professional development of female ASRS members by providing a platform for education, research, leadership, and relationships with other members as well as industry. At its core are inclusivity and wellness.

WinR Travel Grant Sponsorship

WinR travel grants will offset part of the cost for WinR mentees to attend the ASRS's Annual Scientific Meeting or Business of Retina Meeting. Your contribution will support an investment in the next

generation of women retina specialists at a critical point in their career development. Attending continuing education events allows early career women physicians to form invaluable professional relationships, learn about leading-edge developments and technology and add to the diversity of perspectives represented.

There are two ways to support WinR through travel grants:

WinR Mentorship Program Travel Grant Sponsorship: \$6,000

Acknowledgement as a sponsor of the WinR Mentorship Travel Grant program on the ASRS website and at mentorship events attended by grant recipients (verbal acknowledgment and on signage at the event)

Support WinR Travel Grants Through the Foundation of the ASRS:

- Donate and support the mission of WinR by giving to the [Foundation of the ASRS](#)
- Specify Women in Retina Mentorship Activities in the Donation Category
